Coffee and Chat – Moved from the Methodist Chapel - on the first and third Wednesday of the month between 10.30-12 noon at the Village Hall, starting on the 2nd May. Just come along – everyone is welcome.

Parish Council – Street Lighting – one of the issues raised in the Parish Plan Questionnaire was street lighting and many of the current street lamps are 30 years old hung on old telegraph poles or lamp posts that will need replacing. LED lamps use considerably less electricity and are guaranteed for 10 years. The light outside 26 Frog Lane has been replaced with a bright white LED and the PC would welcome your feedback on what you think of the lamp's brightness, whiteness, angle and width of beam.
